SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity

of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Total Estimated Number of Annual Responses: 56

Total Estimated Number of Annual Burden Hours: 336

Abstract: This data collection instrument is being submitted to obtain approval for information collection on the Independent Living Services For Older Individuals Who Are Blind program. Through this program, grants are made to states to support services for individuals age 55 or older whose severe visual impairment makes competitive employment difficult to obtain but for whom independent living goals are feasible. This data will be used to evaluate and construct a profile for the program nationwide. The respondents will be the managers of the Independent Living Services For Older Individuals Who Are blind program in each of the 56 states and territories. The revisions to this instrument consist of 2 additional items in Part I to capture the amount of other federal funds made available to the program, and the carryover for those funds. In Part III, rearrangement in the order of requested information to avoid double counting of consumers in the race and ethnicity categories; an additional item to capture the number of consumers served who are homeless; additional items to capture the number of consumers referred from nursing homes, assisted living facilities, government/social service agencies, and self-referrals.
